

Buy a Chicken for Christmas

November 2024

(But not to eat!) Each \$5 raised will help grow our chicken project and be a step toward self-sustainability for widows and orphans in Uganda. This is a gift that will truly keep on giving (in the form of both eggs and meat). So why not help spread the joy!

Or Some Beans

(Which ARE to eat!) Our ministry team in the DRC looks forward to blessing the widows and orphans in their care with bags of beans each Christmas. If you would like to contribute to that gift, please designate that on your giving. Just \$16 gives the widow a Christmas gift of 30 pounds of beans.

Challenge Match Opportunity

One of our partners has generously donated \$50,000 to the work of Hope Centers and has issued a matching funds challenge! First timers, consider giving a gift to HCCA this Christmas and double the impact of your dollars. Occasional givers, this would be a great time to donate again. Regular givers, think about increasing the amount of your usual gift to help us finish the year strong. While giving has been steady, it has not kept up with rising costs and inflation. Would you please pray about what you could offer to HCCA to help us finish the year strong? The challenge deadline is December 31st. Take advantage of this incredible opportunity!

Thanks for your support

New Webpage

Check out our newly revamped webpage: www.africanhopecenters.org! And please note all the ways that HCCA can now receive gifts: PayPal, Venmo, or directly from your bank account (as either one-time or recurring donations). Of course, we still happily accept checks, as well. And while you're at it, why not check out our Instagram (@hopecenters_africa) and Facebook page.

Want to Go Paperless?!

In keeping with the times (as well as saving money and reducing clutter), Hope Centers now offers you the option of receiving your newsletters via email. If you would like to make the switch to paperless, just email us at the following address, and we will add your name to our email list: Hopecenters4orphans@gmail.com.

What Does Success Look Like?

Sometimes it looks like a nurse. Because of gifts from generous friends of HCCA, Francine was able to attend university where she graduated last year with a degree in nursing. She is now working at a hospital in Bunia, DRC. Thank you for your part in this success story!
