Graduates!

A group of 13 students recently graduated from school in Bunia, Democratic Republic of Congo (DRC). But they were not just any students. They are OUR students, ones we have supported all the way through primary and secondary school. It was with great joy that their student representative spoke on their behalf: "We didn't have hope for such a thing considering the means of our families. But we were chosen by your ministry and have been in your hands all these years. If we could, we would come all the long way from Bunia to America to see each of you and thank you for paying for our fees and expenses and everything. There are still many others in the primary school now, and we wish they can become as we are today. Let our thanks reach every one of you!"

A Widow

It's not only the students who rejoiced at graduation, however. So did their parents. Esther, a widow from the very first team of widows HCCA sponsored in the DRC, was filled with pride as the orphan she cares for received a diploma. She expressed her intense gratefulness to the ministry for helping her student get to this place in life.

Upcoming Trip

Jonathan heads to Uganda right after Thanksgiving. Please pray for his travels and for his meetings with team members there.

More Than Just a Donation: A Step Towards Dignity & Self-Sustainability

Why Your Gift to Hope Centers for Children of Africa Truly Matters

We often get asked what it means to give to Hope Centers for Children of Africa—where does the money go, and how does it make a difference? We want our friends and family to know that every contribution directly fuels life-changing work and ongoing sustainability for children, families, and communities in Uganda.

Thanks for your support

"Religion that is pure and undefiled before God the Father is this: to visit orphans or widows in their affliction." - James 1:27

What Is the Hope Centers General Fund?

Our General Fund is the heartbeat of the entire ministry—it keeps everything moving. It's not glamorous, but it's essential. These funds make it possible for our local teams to serve every day, for our programs to operate safely, and for us to continue growing toward long-term, sustainable impact. In short, this fund is what keeps the lights on and hope alive.

What Your Gifts Support

Your generosity helps cover the basic—but vital—expenses that allow Hope Centers to serve children, families, and communities effectively:

- Educational support for students (school fees, uniforms, supplies)
- Widow care programs and community outreach
- Farm operations that provide food security and sustainability
- Transportation for staff to visit villages and schools
- Maintenance and repairs for Hope Centers' buildings and vehicles
- Administrative and reporting costs that ensure accountability and transparency
- Staff training and discipleship for our local team

Why It Matters

When you give, you're not just helping to pay a bill—you're helping a child stay in school, a widow learn a trade, and a village experience the love of Christ in action. Your ongoing support ensures that the work continues, even when challenges arise. It allows us to respond quickly to needs, maintain integrity in our stewardship, and keep every promise we've made to those we serve.

To Our Faithful Friends and Family—Thank You

To every one of you who gives, prays, and shares in our mission—thank you. Your generosity keeps this ministry alive and growing. You are part of every meal served, every child educated, and every family encouraged. You are part of every success story of a widow or orphan reaching self-sustainability!

We could not do this without you, and we don't take your partnership for granted. Together, we are building something lasting—a legacy of hope, faith, and opportunity for generations to come.
