

Hope Centers for Children of Africa (HCCA)

HCCA/Uganda

Base of Operation: Luwero, Uganda

Goals for 2018

- **Improve the farm/crop growth with production well/irrigation system**
- **Increase the number of micro loans and dollar amount of each.**

Accomplishments/Results:

- A solar system upgrade was completed for the production well
- A generator was purchased and installed as an alternative means of pumping water when the solar system is insufficient.
- Five widows added to the micro loan program and loans increased to \$150 each

Base of Operation: Bogoro, DR Congo

Goals for 2018

- Construct a clinic
- Drill a deep well to provide safe water throughout the year
- Increase the number of micro loans along with dollar amount for each loan

Accomplishments/Results

- Due to civil unrest in the area, the well project and clinic has been placed on hold
- We were able to increase the dollar amount in micro loans

*As of December, the Bunia and Bogoro region is relatively peaceful. We will move forward with the selection of a well drilling company.
